

Organic Gardening by the Seasons (Bio Dynamics)

Literacy Taupo and Central Plateau REAP have joined forces to introduce you to the practical aspects of Bio Dynamic Gardening. This course is a mixture of hands on in the garden as well as some classroom based activities working on Literacy and Numeracy with the subject being Bio Dynamics! Very Interesting!

*Composting *Worm Farms *Seed raising *Beekeeping
* Living Soil *Moon Calendar *Companion Planting
(Some topics may change)
