**Ph: 07 386 8705**

Practical help for your child and you.

We will assess your child's reading level, introduce the reading programme Toe by Toe and work with you to achieve results.

We do ask that you as the tutor commit to every session during the four week period and then continue at home until the book is completed.

Kathryn will teach you how to use Toe by Toe with your child so that you can work together. She is available for mentoring and support along the way and will complete pre and post assessments so you can see exactly where your child is at and what progress has been made.

Kathryn is passionate about the difference this programme can make to you and your child.

Certificate awarded on completion.
